

Bouncemasters "Party" Marquees

Party Marquees can not only enhance the appearance of your home or garden, they can also greatly increase the comfort of the guests at your party by sheltering them from the elements should it rain or get windy. Creating the right impression for party guests is vital to make them feel welcome and to help them relax, party marquees do this and more.

By hiring a Bouncemasters Marquee for your party or special occasion, you will create the perfect indoor party venue.

Additionally, there is the added benefit of expandability, depending upon ground space at your chosen venue. Bouncemasters marquees are easily increased in size, by simply adding additional adjoining marquee segments or by linking up a 2nd party marquee by means of a tunnel walkway.

Benefits of hiring a "Party " Marquee

A Party marquee is the ideal solution, if you are looking for the best party venue. When organising a birthday party or family gathering a party marquee gives you the freedom to either hold the party in your own back garden or on the grounds of your local public house, hotel or golf course, depending upon securing their permission of course.

Also by using a marquee from Bouncemasters for your party, you have the added benefit of being able to decorate the interior of your party venue to your own tastes. The following aspects of your party are easily arranged to suit your exact requirements:

- Seating for the party meal
- Décor (Drapes, Themes etc)
- Lighting
- Heating
- Dance floor area
- DJ or live band stage areas
- Cloakroom areas
- Additional areas for caterers etc

It is this freedom to experiment with both the look and feel of the layout of the interior of a party marquee that allows you to create the right mood and atmosphere at your party.

Party Marquee Planning

If you have creative flare for party interiors, then party marquee hire is ideal for you, and if you haven't, then Bouncemasters can help you plan, organise and arrange the hire of interior decor, furniture, staging and drapes etc for your party marquee occasion. You decide on colour scheme, the layout of your room or rooms, the type of food and entertainment etc you want and we'll "make it happen"! Bouncemasters will only be too happy to discuss your requirements and offer its comprehensive service to make your party marquee event an occasion to remember.
